Welcome 2017 Green Bay Parks, Recreation & Forestry Aquatic Staff! I hope that you will find working at the pool this summer will not only be rewarding but a lot of fun as well!

I will be hiring lifeguards and concessionaire/facility attendants. I encourage you to refer friends to apply who you feel would be a positive addition to our staff. Applications must be submitted through the City of Green Bay Human Resources website.

The Department of Health & Family Services requires aquatic facilities to provide ongoing training to lifeguards. **Three all-staff in-service training sessions will be held throughout the summer, and lifeguards are required to attend.** Missing all-staff in-service training sessions, group trainings, or skill reviews will result in disciplinary action and a reduction of hours. Missed in-services are never “excused”, and they are impossible to “make-up”. In-service dates are listed below. Please plan accordingly. Mark your calendars now and please refrain from making any other plans on these days.

All in-services will be Friday mornings 9:30-11:30 a.m. These trainings are for lifeguards only.

Colburn Pool Staff
June 30, July 21, August 4

Joannes Aquatic Center Staff
June 16, July 7, August 4

Resch Aquatic Center Staff
June 23, July 14, August 11

Pool staff assignments will be sent out in May. Please note: your ONLY option to make up a missed training is to attend a different pool's training in THE SAME MONTH. This is by permission only and must be preapproved by your pool director.

This year Green Bay Kids' Day is on Monday, June 26. This is a required work day for all staff.

- If anyone is interested in becoming lifeguard-certified or knows someone who is, our department is offering multiple classes before summer. Contact Ann for information and the dates for future classes.
